New Suit Is Filed By Cable Company For Salvage

AMOUNT CLAIMED NOT FROM FORMER LIBEL

OFFICIALS OF COMPANIES EVI-DENTLY UNABLE TO COME TO A DECISION—AGAIN TO THE COURTS

The libel against the Manchurin by the Commercial Pacific Cable Company which was released last week by orders received from President Mackay of the Cable Company, was renewed in the Federal Court this morning and U. S .Marshal Hendry placed a man in charge of the big liner at 11:30 a. m.

It seems that the Pacific Mail officials in New York were unable to come to an agreement with the Cable Company men in regard to the amount which the cableship should be allowed for her work in the salvage of the Manchuria and that since the matter could not be adjusted amicably the papers McHryle were served orce more in the libet tase. The libel filed this morning dif-fers in no way from that which was Ag. Co., \$120; 15 Haw. Ag. Co., \$120; originally filed and released when the 50 Haw. Ag. Co., \$120; 75 Onomea, \$42, matter seemed likely to be resided in 200 Ookala. 9. Session—50 Kihei, \$9.50; an amicable manner. It is returnable 100 McBryde, \$6.25; 10 Cokata, \$5. before Judge Pole on October 5,

The indications now are that the case will go through the regular channels of the courts as the Pacific Mail evidently thinks that the demands of the cable company for the work done are exorbitant. The libel is for \$200,000 the custody of the United States Mar-Company to file a bond of \$600,000. This will probably be done in the near futuret brough some surety company.
